## MARCH 2018 SERVICES, SUNDAYS AT 10:30 AM

### Theme: Humility

#### March 4 Spirit Rest

Rev. Maddie, Kate English

Albert Camus once said, "In order to understand the world, one has to turn away from it on occasion. How can we rest our spirits?"

*First Sunday Plate to Wheeler Canyon farmworkers through LULAC & Latino Town Hall*

#### March 11 Humble Pie

Rev. Maddie, CJ Starling

It is said that true humility is a sign of spiritual maturity. False humility is the height of deception. How does humility relate to our first principle, the inherent worth and dignity of every person? Our choir sings.

#### \*Tuesday, March 13 Gathering

Rev. Maddie

Rev. Maddie leads a reflective time in our busy week to hear some beautiful music, share some silence and hear spoken word on a theme. The music will be provided by pianist and our church musician, Vincent Sorisio.

#### March 18 "Living From Abundance"

Betty Stapleford, Ruth Ricards

As Americans we are often encouraged to see our worth in terms of what we have and how much more we can accumulate. But this attitude may encourage a feeling of scarcity that can cripple us. What if we believed that we had all we needed? Our lives might just be changed in amazing ways. And we might just have more to share with others.

#### March 25 Dragons Are Real

Erik Halseth, Pat English

"Mysteries abound where most we seek for answers," wrote Ray Bradbury. Come explore the intersection of imagination, science, and the infinite nature of the universe, journeying into the spiritual and the scientific in equal measure.

*CASP food offering*

The mission of the Universalist Unitarian Church of Santa Paula is  
to practice inclusiveness, seek justice and foster spirituality.

# Message from the Minister

About once a year I like to remind you of when you might call your minister, and that it doesn't need to be an emergency! These occasions are from a list adapted from an essay by the Rev. Dr. Peter Lee Scott, circa 1957 but still hold true today.

- When you haven't met me yet but would like to.
- When you have problems you'd like to discuss, concerning your children, your job, your marriage, or anything else where a sympathetic ear might be of help.
- When you're going in the hospital or know someone else in the congregation who is.
- When someone close to you has died or is critically ill.
- When you're planning to be married or wish you could be.
- When you have a child to be dedicated.
- When you're pregnant but wish you weren't.
- When you, or a friend or neighbor would like more information about the Unitarian Universalist faith.
- When you're considering joining the congregation.
- When you'd like to show me what a good cook you are!
- When you have suggestions to make about programs for our congregation.
- When you have suggestions for a sermon.
- When you'd like help with committee work or with other congregational activities.
- When there are community issues you'd like to discuss or would like me to be involved with.
- When you're mad at me.
- When you appreciate something I've said or done.
- When you'd like to talk religion with me.
- When you'd like to talk parenting with me - as a parent, or as a child.
- When you've had good news and want to share it.
- When you've had bad news.
- When you're feeling overwhelmed.
- When you want to tell me your history with the congregation.
- When you want to spend more time with the children and youth.
- When you've heard a great joke and want to share it.

Please give me a call at the church, at the private line at  
my church office (805-525-4620),  
on my cell phone (508-733-8860 or email me at  
[msifantus@uuma.org](mailto:msifantus@uuma.org). I would love to hear from you!

On our path of faith,

Maddie

## Message from the Board of Trustees

It's that time of year to announce the new officers of the Board of Directors for our church. The members are elected at the annual meeting of the congregation in January, but the board elects its own officers at the first meeting after the annual meeting.

Moving from Vice President to President is John Nichols. Pat English is the Treasurer, Jerry Gray the Secretary, Kate English is the Vice President and Luisa Haskell is Member at Large. In addition to their regular duties each board member will also be responsible for acting as a Liaison to one or more of the numerous church committees. We want to make sure there is good communication between church committees and the board. Communication will flow both ways.

Board meetings are held once a month on a Thursday evening at 6:30. All are welcome to attend. All are welcome to submit topics for discussion on the agenda. Some of the board members are exploring sharing documents in the Cloud. That way digital documents can be accessed from a home computer, a work computer, a tablet or a smart phone from anywhere on the planet. A few of **us like a service called Dropbox. It's all part of our "Welcome To The 90s" digital awareness program.** Click like and share to show your support.

# Message from the RE Coordinator

## Kids' Place

Let parents bequeath  
to their children not riches,  
but the spirit of reverence. — Ellen Key

## Famous UUs in History

Frances Harper was an African-American poet, writer, journalist, and activist who lived from 1825 until 1911. She was very active in both the abolition and suffrage movements and was involved with the Unitarian church because of its role in the social justice movements of the day.

## “Songs for the People”

Let me make the songs for the people,  
Songs for the old and young;  
Songs to stir like a battle-cry  
Wherever they are sung.

Not for the clashing of sabres,  
For carnage nor for strife;  
But songs to thrill the hearts of men  
With more abundant life.

Let me make the songs for the weary,  
Amid life's fever and fret,  
Till hearts shall relax their tension,  
And careworn brows forget.

Let me sing for little children,  
Before their footsteps stray,  
Sweet anthems of love and duty,  
To float o'er life's highway.

I would sing for the poor and aged,  
When shadows dim their sight;  
Of the bright and restful mansions,  
Where there shall be no night.

Our world, so worn and weary,  
Needs music, pure and strong,  
To hush the jangle and discords  
Of sorrow, pain, and wrong.

Music to soothe all its sorrow,  
Till war and crime shall cease;  
And the hearts of men grown tender  
Girdle the world with peace.

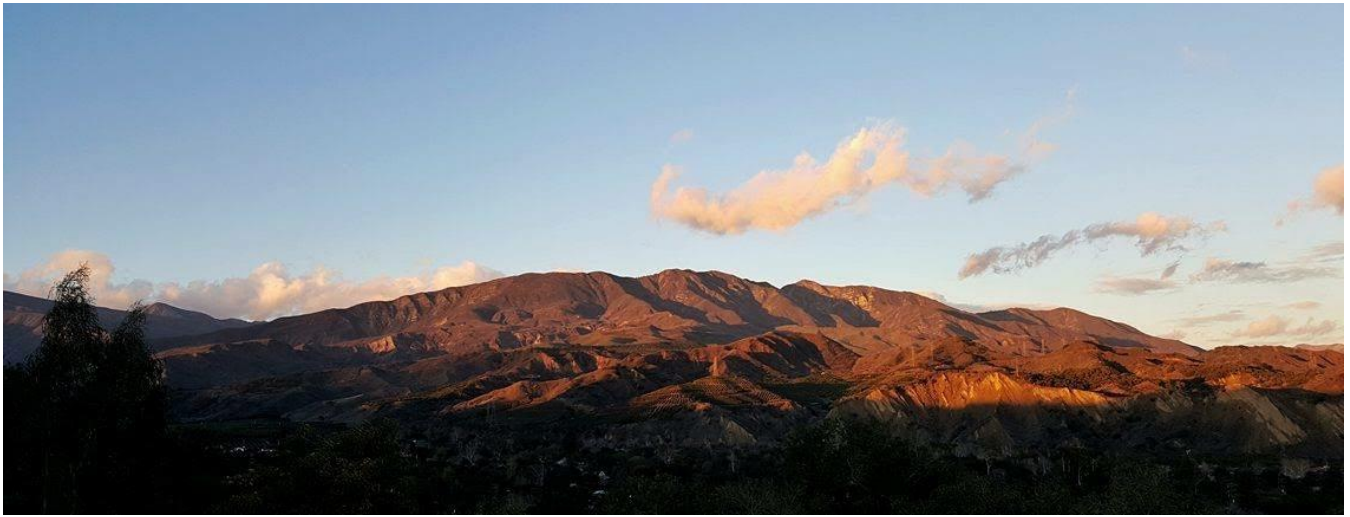

## Upcoming RE Youth Classes

“Change is the end result of all true learning.”  
— Leo Buscaglia

March's theme is Humility, and we will be talking about the stories from Time For All Ages during class. As always, the children will be creating wonderful works of art and playing in the Rainbow Room.

## People and Doings

**“Zodiac Zunday”** Once a month during coffee hour we will be honoring those who celebrate the astrological sign of that month. As we know, astrology is a pseudo-science often linked to superstition. We are hoping for this to be a fun time to connect with others while enjoying some delicious food.

**"ZODIAC ZUNDAY":** On March 4 we will be honoring *Pisces*

(February 19 - March 20).

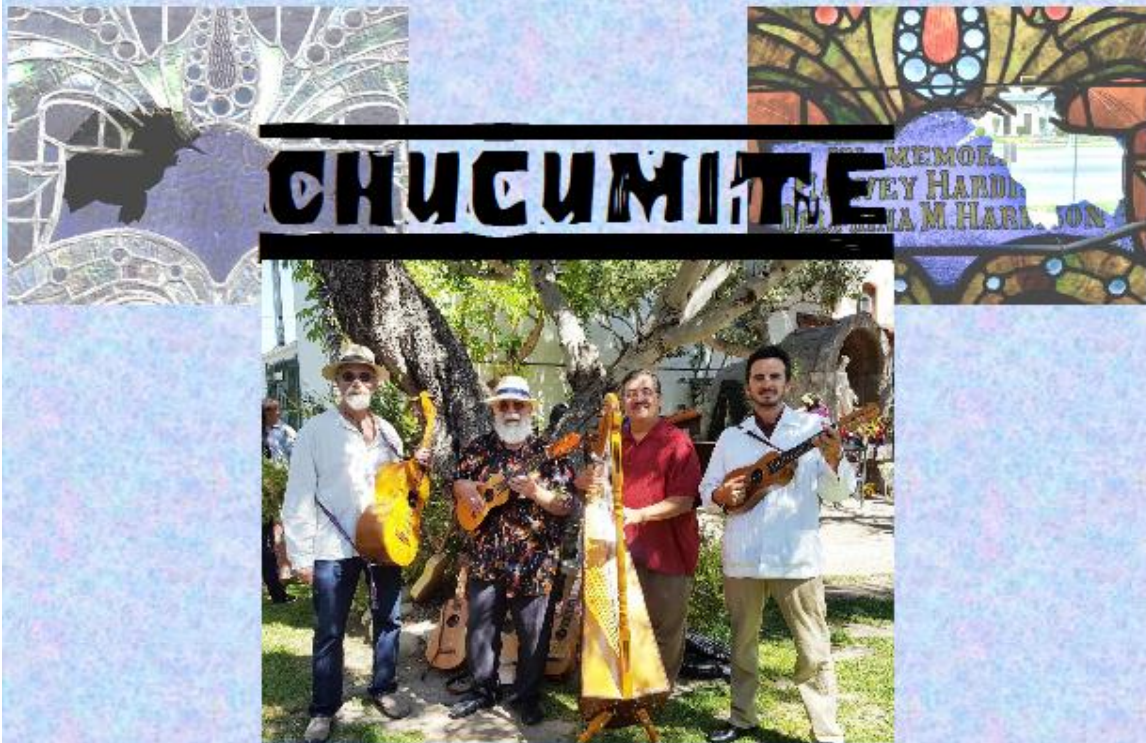

Sign Characteristics: Pisces are very friendly, so they often find themselves in a company of very different people. Pisces are selfless; they are always willing to help others, without hoping to get anything back. They are generous, compassionate and extremely faithful and caring. People born under the Pisces sign have an intuitive understanding of the life cycle and thus achieve the best emotional relationship with other beings. Pisces-born are known by their wisdom, but under the influence of Uranus, Pisces sometimes can take the role of a martyr, in order to catch the attention. Pisces are never judgmental and always forgiving. They are also known to be most tolerant of all the zodiac signs.

## OMG TO OM

Do you know that you are the biggest mystery in the universe! Perhaps you are yet to discover it. You are born with insurmountable intrinsic force of consciousness, the potential of which needs redirection, and it is possible to transform from the worldly noise of OMG to the eternal bliss of OM.

Atharva Veda, Muṇḍaka Upanishad 2.1.4. eh, 159-160 says:

“Fire is His head, the Sun and the Moon his eyes, space His ears, the Vedas His speech, the wind His breath, the universe His heart. From His feet the Earth has originated. In truth, He is the inner-self of all beings.”

## GURDEEP SINGH

Himalayan Master Gurdeep Singh is a gifted spiritual scientist who considers himself a universal citizen of East Indian origin. For last 35 years he is sharing his gifts of transcendental wisdom blended with fun and laughter. Previously Gurdeep served in Texas as the Founder Director of Outreach Ministry at the Center for Spiritual Living. He has travelled more than half the globe lecturing and assisting people on inner-journey to self-discovery. He promotes the philosophy of **“be a light unto yourself”**. His programs are a treat for the yearning soul.

## SHILPA PANDEY

Shilpa Pandey was born in India in a family of professionals, some of whom worked relentlessly during India's peaceful freedom movement under Mahatma Gandhi's leadership. ## OLIVE OIL

Fair trade, extra virgin olive oil from the Holy Land is available at \$16 per 500 ml bottle. A portion of the sale proceeds goes to support the Social Concerns Action Committee of the local UU Church. Purchase of this oil supports the work of farmers in the Ramallah area who are prohibited from selling their oil in neighboring Israel or Jordan. This olive oil is "characterized by its distinct personality, robust aroma, and a flavor evocative of fresh fruit. It has a peppery bite and a hint of bitterness [a desirable trait] that disappears as the oil ages over time. Once you have tried olive oil from Palestine, most other olive oils appear bland by comparison."
